

REQUEST FOR CITY COUNCIL CONSIDERATION

Meeting Date: January 8, 2007

Agenda Item: 5(B)	Prepared By: Laura Litzan, City Clerk Date: January 2, 2007
Agenda Section: Business: Consent	
Subject: Approval of Arts Advisory Committee Policies and Guidelines	Department: City Council

BACKGROUND:

City Council is asked to approve the Arts Advisory Committee Policies and Guidelines.

The Arts Advisory Committee (AAC) was created by City Council by Ordinance number 04-20 on November 1, 2004. Council approved the AAC's goals and objectives on January 3, 2006.

One of the AAC's objectives was the development of policies and guidelines for the evaluation of public art and the acceptance of donations. These policies and guidelines provide a framework for the consideration and acquisition of public art, as well as direction to those seeking to donate works of art to the City. As the mission of the AAC evolves, it is expected that these initial policies and guidelines will require periodic updating and revising.

RECOMMENDED ACTION: Approve AAC Policies and Guidelines.
