

REQUEST FOR CITY COUNCIL CONSIDERATION

Meeting Date: June 4, 2007

Agenda Item:	5 (D)	Prepared By: Michael D. Murphy, Fire-Rescue Chief
		Date: May 25, 2007
Agenda Section:	Business –	
Subject:	Advanced Life Support Partnership Agreement	Department: Fire-Rescue

BACKGROUND:

City Council is asked to allow the City Manager to execute an agreement with Collier County for the provision of advanced life support paramedic services by Marco Island Fire Rescue personnel.

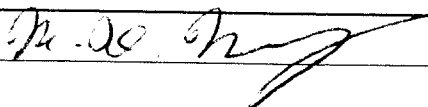

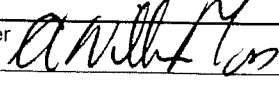

The City previously entered into an interlocal agreement with Collier County in July of 2001 allowing for the provision of advanced life support services by Marco Island Fire Rescue personnel. On May 22, 2007 Collier County Commission approved a standardized agreement with minor differences for all agencies within Collier County providing advanced life support services. This new agreement is a continuation of the previous agreement with changes to reflect the current operational standards. This updated agreement provides for the continuation of cross utilization of both agencies personnel for medical and firefighting responsibilities. The agreement continues licensure for two Marco Island fire apparatus and allows one command vehicle to operate as an ALS paramedic unit.

Attached is the agreement with Collier County reflecting the current operational standards. This agreement has been reviewed by the City attorney for its legality.

The attached agreement is presented for consideration.

RECOMMENDED ACTION:

Authorize the City Manager to do all things necessary to execute the Interlocal Agreement Advanced Life Support Partnership between Collier County and the City of Marco Island.
