

REQUEST FOR CITY COUNCIL CONSIDERATION

Meeting Date: March 5, 2007

Agenda Item: 5D	Prepared By: Lorrie Del Monte, Grants Coordinator Date: February 22, 2007
Agenda Section: Business: Resolution	
Subject: Resolution to Approve a Local Agency Agreement with FDOT for Minor Intersection Improvements	Department: Public Works

BACKGROUND:

City Council is asked to adopt a resolution and execute a Local Agency Program (LAP) Agreement with the Florida Department of Transportation (FDOT) for a Minor Intersection Improvements Project.

The City previously received a LAP grant from the FDOT, District 1 to construct minor intersection improvements for North Collier Boulevard at Elkcam Circle (East) and at Bald Eagle Drive. The minor intersection improvement includes North Collier Boulevard at Elkcam Circle (East) from the intersection, 1,085 linear feet north to Windward Drive, and North Collier Boulevard at Bald Eagle Drive from the intersection, 485 linear feet north, to Chalmers Drive. The Elkcam Circle improvement project proposes to create a 16-foot wide parking/landscape area along both sides of the City's right-of-way to provide adequate off-site diagonal parking. The Bald Eagle Drive improvements will have sidewalks, hardscape, drainage, and landscaping improvements. Funding from FDOT is in the amount of \$410,608.

Attached is the agreement with FDOT for this improvement. The City will be responsible for the approximate \$58,658 balance of funding required to complete this improvement.

Attached is a resolution authorizing the City Manager to execute this FDOT Agreement.

RECOMMENDED ACTION:

Adopt the resolution and authorize the City Manager to execute the Minor Intersection Improvements Agreement with the FDOT.
