CITY OF MARCO ISLAND

JAN 17 2007

RECEIVED

Mr. William Moss, City Manager
City of Marco Island
50 Bald Eagle Drive

Dear Mr. Moss,

Rose Patterson called me and asked me if I am interested in serving on the City Arts Advisory Committee. Vicki Kelber also called me. I am interested in the Committee, the arts, and the City. I am currently serving on the Marco Art League Board of Directors and am treasurer of the Board. My term ends in September and I am not eligible to run again because we are limited to two consecutive terms and then must be off a term. I also am a member of the Foundation Committee of the Art League and serve on the Foundation for Marco Lutheran Church.

I am a Founding Director of the Bank of Florida Corporation (a Public Holding Company) and a Director on Bank of Florida Southwest's Board (Naples). This bank is one of the subsidiaries of the Holding Company.

I have a BA from the University of Pittsburgh—a double major in Political Science and Sociology. I received a Masters of Public Administration from the Graduate School of Public and International Affairs (GSPIA) at the University of Pittsburgh.

I am a retired planner and project director, Allegheny County, PA. Co-founding and operation of an up-scale women's wear business for career women in Pittsburgh followed this.

I appreciate your consideration and will be happy to answer any questions you or others may have.

Sincerely,

LaVonne Johnson
