Dear Jr. NBA/Jr. WNBA League Director:

Thank you for taking the time to nominate players from your league for the Jr. NBA/Jr. WNBA National Team. Enclosed are personalized certificates to be awarded to your players. Please present the certificates at your convenience.

Additionally, the Jr. NBA/Jr. WNBA is pleased to inform you that Alex Proehl from your basketball league has been recognized as an All-Region player for the 2007-08 season, representing the Miami Heat team region. Please find enclosed an All-Region medal that, in addition to the personalized certificate, should be presented to Alex. While he did not advance to the National Finalist stage, his accomplishment is exceptional as he is among the 160 All-Region recipients. An independent selection committee made up of officials from the NBA and WNBA reviewed all nominees.

The 10 Jr. NBA/Jr. WNBA National Team players will be chosen from the already selected and notified group of National Finalists. These ten players, made up of five boys and five girls, will travel to NBA All-Star 2008 in New Orleans, Louisiana in February representing the 830,000 boys and girls playing in Jr. NBA/Jr. WNBA member leagues throughout the United States, Canada and abroad.

We appreciate your participation in the 2008 Jr. NBA/Jr. WNBA National Team program and we hope that your All-Region player, their coach and parents/guardians appreciate you nominating them for this award.

Please be sure to visit our website, www.nba.com/jrnba, on February 11th to see the announcement of the 2008 Jr. NBA/Jr. WNBA National Team. If you have any questions, please feel free to send us an email at jrhoops@nba.com.
