50 Bald Eagle Drive Marco Island, FL

**Calusa Park Butterfly Garden**

*Calusa Park is a 1/2 mile lineal park , located on Marco Island on Winterberry Drive .The land was deeded to the residents of Marco Island by the Mackle Brothers as a Green Belt. The City of Marco Island placed a shell path and transplanted dozens of trees along the pathway. The Calusa Garden Club of Marco Island donated the monies to establish the Butterfly Garden, early fall 2009, on the west end of the park, the Calusa Park Sign, bench and the Royal Poinciana Tree on the east end of the park . Local landscapers donated trees and an additional bench for past Arbor Days. Volunteers from the BAC, Calusa Garden Club, Island residents and City of Marco Island staff planted and continue to maintain these beds & the Butterfly Garden. Call 239.389.5000 to donate a plant or tree. Come visit !*
