City Launches Citizen Survey

The City of Marco Island is conducting a comprehensive citizen survey to solicit important input from Marco Island residents. The survey takes 5-10 minutes to complete. It will be open for residents to take from March 22 - April 8. To access the survey, please visit the City website at www.cityofmarcoisland.com. There is a link at the top of the homepage that says: "Citizen Survey."

The City has partnered with a professional surveying company, OnPointe Insights to design the City's survey. This survey was customized based on the specific services and programs provided by the City of Marco Island. OnPointe Insights will collect and analyze the data and provide the City with an interactive dashboard showing the survey results. The results of the survey will be presented to the City Council at their meeting on May 2, 2022.

If you do not have access to a computer, smart phone, or tablet, please contact Casey Lucius at 239-389-3969 to receive assistance accessing the online survey.
