FOR IMMEDIATE RELEASE

CITY OF MARCO ISLAND BUILDING AND PUBLIC WORKS DEPARTMENTS MOVE TO NEW LOCATION

Marco Island, FL (April 13, 2022)

Beginning Monday, April 18, 2022 the City of Marco Island Building and Public Works personnel will be working from their new offices located in the City Hall Annex at 1310 San Marco Road. In December 2020, the City bought the former Medical Arts Building and renovated the second floor to accommodate the Fire Department. The first floor has also been renovated for the Building Department and Public Works Department. Phone numbers, emails, and hours of operation for these departments will not change as a result of this relocation. Utility Billing will remain on the first floor of City Hall.

The main entrance to the City Hall Annex faces San Marco Road, but residents doing business with the Building Department should enter the parking lot between City Hall and the Police Department. There is a map attached showing where to enter and exit the Annex parking lot. There is construction taking place on the City Hall campus, so please drive with caution and watch for workers in the area. Parking is temporarily limited due to the construction.
