HEATHWOOD DRIVE -SAN MARCO ROAD INTERSECTION PAVING REQUIRES LANE CLOSURES AND LANE CHANGES

(June 16, 2022) There will be lane closures and lane changes in the area of Heathwood Drive and San Marco Road as lanes are paved on June 20 and June 21, 2022. Flaggers will be present to direct traffic to the appropriate lane. Please drive slowly, watch for workers and large equipment, and stay within the appropriate lane. Beginning Wednesday, June 22, 2022 nighttime paving will take place to complete the intersection. If possible, avoid this intersection during nighttime paving.

For questions about this project, call City of Marco Island Public Works Department at 239-389-3992.
