

Activity 510 Floodplain Management Plan, Annual Progress Report – 2018
City of Marco Island, Florida 34145
NFIP Community: 120426

I. Background

A. On April 6, 2015, the City of Marco Island City Council approved and adopted by resolution #15-29 the 2015 revision to the Collier County multi-jurisdictional Local Mitigation Strategy (LMS); required to be adopted every 5-years. In doing so, the City of Marco Island receives the following direct benefits: of the LMS.

1. Eligible for the following mitigation grant programs administered through the
 - a. Federal Emergency Management Agency
 - b. Hazard Mitigation Grant Program (HMGP)
 - c. Pre-Disaster Mitigation (PDM)
 - d. Severe Repetitive Loss (SRL)
 - e. Flood Mitigation Assistance (FMA)

B. In order to maintain CRS credit for activity 510 Floodplain Management Plan, the City must prepare an annual progress report on the various activities the community is performing. This report shall serve as the City of Marco Island 2018 annual progress report.

II. Annual Report Preparation, Distribution & Availability – **On-Going**

A. Prepared by Kelli DeFedericis, City of Marco Island's Floodplain Coordinator

B. Report submitted and provided to

1. City of Marco Island City Council (December 10, 2018)
