

NOTICE TO CONTRACTORS

Date: 12/14/2023

Subject: **New inspection for sanitary re-pipe permits.**

Information and Instructions regarding Plumbing Sanitary Re-pipe Inspections.

A new plumbing inspection has been created. The 211 – Sanitary Replacement-Repair Affidavit inspection requires a completed affidavit to be uploaded directly into the inspection attachments. The affidavit and instructions related to uploading the document into this inspection online are linked below.

Sanitary Replacement-Repair Affidavit form:
