

NOTICE TO CONTRACTORS

Date: 7/14/2023

Subject: **Changes to Gas inspection numbers & Remote Video Inspections for Tank Tie Down inspection**

Information and Instructions regarding Gas inspection changes.

A new gas inspection has been created. The 403 – Gas Piping Test Affidavit inspection requires a completed affidavit to be uploaded directly into the inspection attachments. The affidavit and instructions related to uploading the document into this inspection online are linked below.

Gas Piping Test Affidavit form:

<https://www.cityofmarcoisland.com/building/page/permit-form-lp-gas-single-family-gas-lines-fbc>

Instructions for attaching documents to inspections:

<https://www.cityofmarcoisland.com/building/webform/citizen-self-service-portal-instructions-page#Uploading/Viewing%20Documents%20that%20are%20not%20part%20of%20the%20plan%20case>

The City of Marco Island's gas inspection numbers have been adjusted as follows:

- 400 – Interior Rough
- 401 – Exterior Rough
- 402 – Tank Tie Down
- 403 – Gas Piping Test Affidavit
- 404 – Final Gas

Remote Video Inspections for Tank Tie Down inspection

We now offer a Remote Video Inspection (RVI) for the 402 - Tank Tie Down inspection. The Requirements, walkthrough guides, and more information concerning RVIs are available on the City of Marco Island's website.
