Regulations and Information

1. Visit www.cityofmarcoisland.com/CSS for more information about how to submit for permit.
2. The existing sewer lateral must be capped off and the Utilities Department must conduct an inspection before it is covered. If it is not capped, the water meter will be temporarily removed for non-compliance.
3. If there is a septic system to be removed or abandoned, a State of Florida Health Department must issue an Abandonment Permit prior to issuance of a Demolition Permit.
4. Asbestos survey must be filed with the Department of Environmental Protection for any demolition in a building that contains asbestos. A final inspection must be obtained before submittal of any further plans.
5. Interior demolition permits are issued with the owner's understanding that this is an interior demolition permit only and a separate building permit must be obtained for any other work and must meet all applicable codes and laws. Any work that commences beyond the scope of this permit will be subject to penalty.
6. A bond is required for all total commercial demolition for an amount set forth by the Building Official.
