### **TEMPORARY CLOSURE OF DURNFORD WAY**

(August 24, 2022) Beginning Monday, August 29, 2022 construction will begin on Durnford Way. Construction will take place Monday through Saturday from 7:00am – 7:00pm and last approximately six months. There will be partial access to the alley for deliveries and trash collection. Local business employees and customers will have access to the businesses from Collier Blvd.

In December 2021, City Council approved this project to improve parking and stormwater drainage on Durnford Way between Saturn Court and Amazon Court. Work includes construction of parallel parking spaces, a new drainage system with a new outfall, and security fencing along the south portion of the alley. For questions about this project, contact Public Works at 239-389-3992.
