2022 ROAD RESURFACING TO BEGIN SEPTEMBER 21ST ON COPPERFIELD COURT

(September 14, 2022) Marco Island's annual road resurfacing project is set to begin September 21, 2022. The following streets will be resurfaced:

1. Copperfield Court and the side streets (approximately 1.45 miles)
2. North Barfield Drive between North Collier Blvd. and San Marco Rd. (approximately 2 miles)

A map is attached showing the locations. The City Council approved this project in August for \$1.6 million. The project includes road resurfacing, manhole and valve adjustments, pavement striping, raised pavement markers and thermoplastic striping. Work Zone signage will be posted, and flaggers will direct traffic. Please watch for workers and drive with caution. Mail and trash collection will not be impacted during this project.
