### **LIMITED PARKING AT CITY HALL BEGINNING OCTOBER 24, 2022**

(October 21, 2022) Beginning Monday, October 24, 2022 the City Hall front parking lot will undergo parking and landscape improvements. The work consists of replacing six trees that are oversized for the existing plant beds in the front parking lot and replacing them with eighteen new trees that are appropriately sized for the area. Additional curbing and overlay of the asphalt will also be done. The work is scheduled to begin October 24<sup>th</sup> and last approximately four weeks. For residents visiting City Hall, parking on the side and behind City Hall is open parking. Please drive with caution and be aware of workers in the parking lot.
