VETERANS' DAY CEREMONY MOVED TO LUTHERAN CHURCH DUE TO TROPICAL STORM NICOLE

(November 9, 2022) American Legion Post 404 on Marco Island has announced that due to Tropical Storm Nicole, the Veterans' Day ceremony will be moved to the Marco Lutheran Church located at 525 North Collier Blvd. The ceremony will begin at 11:00am on November 11, 2022. Residents are invited to attend to honor our local veterans for their patriotism, service, and sacrifice.

Tropical Storm Nicole is expected to increase to a Hurricane on Wednesday afternoon and is targeting the East Coast of Florida. Governor DeSantis has issued a State of Emergency for most of Florida including Collier County. The National Hurricane Center warns residents to not focus on the exact track of Nicole since it is expected to be a large storm with hazards extending outside the forecast cone. Nicole will produce rainfall Wednesday and Thursday, with winds expected Wednesday morning through Friday morning. Be prepared for the possibility of power outages and do not drive on flooded roads. Visit www.nhc.noaa.gov for up-to-date information on Tropical Storm Nicole.
