

# City of Marco Island

## *Press Release*

03-17-20 001

Pursuant to the adopted State of Emergency, the City of Marco Island has drafted a Pandemic Incident Action Plan which contains the following tasks –

- Consistent messaging regarding the following three primary points:
  - Follow Center for Disease Control, Health Department and official governmental guidelines.
  - Practice social distancing.
  - Take personal responsibility.
- The City is assessing locations which have large gatherings of people, such as recreational areas, houses of worship, etc., for trending and policy changes.
- The City encourages citizens wherever possible to conduct business with the City online, for example pay a water bill or apply for a permit. Most other business can be conducted by telephone.
- Between March 17th, 2020 and April 1st, 2020, the following are cancelled:
  - All organized programming at Mackle Park (Both the Racquet Center and Mackle remain open as of now for responsible public use).
  - All City special event permits that were to be held at City locations.
  - All City special event permits which require city support such as inspections or personnel.
  - All City Committee meetings.
  - The March Code Enforcement Magistrate Hearing.
- No new special event permit applications will be accepted between March 17th, 2020 and April 1st, 2020.
