## FOR IMMEDIATE RELEASE

### Collier County Government Update

In an effort to limit the spread of COVID-19, Collier County Government is announcing that effective sunset today (March 18, 2020), Collier County beach parking facilities will be closed to the public until further notice. In addition, Collier Area Transit is discontinuing operation of the Beach Bus route 29 until further notice.

These actions are in keeping with CDC COVID-19 guidelines and the Governor's Executive Order to limit large gatherings and encourage social distancing.

All Collier County beach access points will remain open to the public at this time.

Collier County is closely monitoring all developments related to COVID-19 and will provide additional updates as they occur.
