

# City of Marco Island

## *Press Release*

04-03-2020 017

Based on the Governor's Executive Order 20-91 effective April 3, 2020, the City of Marco Island Police Department is currently educating the public and working with business owners and residents to ensure compliance. The MIPD has written a cover letter to this Executive Order and provided it to the Marco Island Chamber of Commerce, the YMCA, houses of worship, and other community partners. As law enforcement officials, MIPD is required to uphold the Executive Order and will assist in educating the public and monitoring activities in the community. The Executive Order and list of identified essential businesses can be accessed [here](#). We encourage all business owners and residents to read the Order in its entirety. The list of essential services may be updated by the State Health Officer. Updates can be viewed at [www.floridadisaster.org](http://www.floridadisaster.org). Specific questions regarding the enforcement of this Order can be directed to the Marco Island Police Department at 239-389-5050. It is through continued cooperation that we will minimize the spread of COVID-19.
