

# City of Marco Island

## *Press Release*

05-21-20  
027

The City of Marco Island has developed a plan to mitigate the effects of crowding, traffic, and increased trash on Marco Island beaches over Memorial Day Weekend. The trash cans will be emptied multiple times Saturday, Sunday and Monday. If you see any issues regarding trash on the beach, please call 389-5000.

The City has also increased fines for violations of the City's beach conduct ordinance which include prohibiting dogs and glass on the beach. The City will also ticket and tow illegally parked vehicles. If you see any issues concerning traffic or groups larger than ten that are not socially distanced from other groups, please call the Marco Island Police Department at 389-5050 so they can respond promptly.

We want our residents to have a safe and enjoyable Memorial Day weekend. Please help us keep our beaches clean and safe. We also want to remind our residents of the purpose of Memorial Day, and while there is no formal commemoration this year due to COVID-19, we ask you to remember and honor those who have sacrificed for our country.
