

# City of Marco Island *Press Release*

07-16-20  
037

The Marco Island Police Department was notified that individuals may be in neighborhoods offering COVID-19 “home test kits” for a fee. The Florida Department of Health staff has indicated they will not go door-to-door selling test kits, nor will their healthcare partners. Be aware this is a scam.

Door-to-door solicitation on Marco Island, without a permit, is a violation the City’s Code of Ordinances. Please immediately report any door-to-door solicitation or suspicious circumstances to the Marco Island Police Department at (239) 389-5050.
