

City of Marco Island

Press Release

07-23-20
039

There has been a change to the construction plan on Yellowbird Street in Marco Island. Earlier this week, it was reported that the first phase of the Yellowbird construction project would begin at Collier Blvd and Yellowbird Street, however, Phase 1 will actually take place at Bald Eagle and continue to Echo Circle (south). A map of the first phase of the project is attached.

This construction project will take place in three phases beginning July 27, 2020 and continuing through July 5, 2021. Phase 1 will take place from July 27, 2020 to November 20, 2020. Phase 2 will take place from November 21, 2020 to March 15, 2021 from Echo Circle (south) to Fruitland Avenue. Phase 3 construction will take place from Fruitland Avenue to North Collier Blvd from March 16, 2021 to July 5, 2021. Mail and garbage services will not be disrupted during this time. The City will have barricades and signs redirecting traffic as these areas of construction will only be open to local traffic. The City will provide updates as the project transitions from one phase to the next.
