Marco Island's annual road resurfacing project was set to begin on August 24, 2020 but has been delayed twice due to weather and is now scheduled to begin on August 31, 2020.

Each year the City of Marco Island dedicates approximately \$500,000 to resurface local roads. For fiscal year 2020, a total of 9,878 linear feet of roadway will be paved. The first three streets to be resurfaced are Seaview Court, Saturn Street, and Bayside Court. Following these streets, Bonita Court, June Court, South Seas Court, and Cottonwood Court will be resurfaced. Local "Work Zone" signage will be posted and flaggers will direct traffic. Mail and trash collection will not be impacted during this project.
