Press Release

As the City of Marco Island continues to make accommodations due to COVID-19, City staff has established an additional avenue to receive public comment at City Council meetings. Residents can call in to the Council meeting by dialing 239-294-7880. Callers will receive a prompt asking for their name and the agenda item they wish to speak on. They will then be placed on hold until prompted to speak. If callers wish to speak on a specific issue and that agenda item is later in the meeting, callers may be prompted to call back or continue waiting until that agenda item is being discussed. General public comment is listed on every City Council agenda as time certain at 6:00pm or as soon as possible thereafter. General public comment is also on every agenda as the last item before adjournment. Citizens may also comment on specific agenda items throughout the meeting, either in person or by calling 239-294-7880. All comments are limited to four (4) minutes.
