The City of Marco Island is hosting a virtual community meeting to hear from the public on the topic of vacation rentals. The virtual meeting will be on Monday September 28, 2020 from 4:00pm – 6:00pm. The objective will be to hear additional public input on the issues associated with vacation rentals and allow the public to ask questions and share ideas for potential solutions. The input received will be incorporated in the report and recommendations presented to the City Council on October 5, 2020. Residents can register to attend the meeting through this link:
