Press Release

07-21-21
21-38

The Florida Department of Transportation (FDOT) have begun conducting repairs on the Judge Jolley Memorial Bridge. The work is expected to last approximately six months. There will be single lane closures schedule intermittently during the project to address painting of structural steel, pile jacket installation, and deck repairs. The impact on vehicular traffic is expected to be minimal as lane closures will be scheduled between 9:00pm and 6:00am. Crews will be working during the daytime and nighttime hours, so please drive with caution, courtesy, and patience. For more information about this project, visit www.swflroads.com or call FDOT Community Outreach at 239-337-1071.
