Beginning December 15, 2021 the City of Marco Island will begin construction of the San Marco Road Shared Use Pathway project. The project is a 10-foot wide concrete sidewalk along San Marco Road on the south side of the road from Vintage Bay Drive near the Marco Island Academy to Goodland Drive. The project is expected to be completed by August 12, 2022, and is funded by a Florida Department of Transportation grant.

For questions about this project call City of Marco Island Public Works Department at 239-389-3992.
