ENFORCEMENT OF CITY CODES IN EFFECT

(May 25, 2023) While the City Council agreed to delay the enforcement of the “Transient Single-Family Home Rental Registration Program” until January 8, 2024, all other City Ordinances are still in effect. Article IV Sec. 18 of the City Code outlines the City’s noise regulations; Article II Sec. 18 outlines the rules for curbside garbage and recycling bins; and Article II Sec. 50 defines parking prohibitions and violations. If residents are concerned about noise, trash, or parking violations in their neighborhoods, they are encouraged to call Code Enforcement at 239-389-5060. In case of emergency, call 9-1-1.
