- Once you log-in you will need to re-link your UTILITY BILLING ACCOUNT:

Linked Accounts

Existing accounts can be "linked" to your self-service user id. These links give you quick access to an account's details, bills, etc. For each self-service module that allows user-control over account linking, hyperlinks such as "link to account" or "remove" will appear below. Click a module's "link to account" to reach the page where new account links can be created, and where additional instructions are provided.
