On Saturday, December 12, 2020 the City of Marco Island will host a Town Hall meeting at Mackle Park to receive public input on the City's Comprehensive Plan. Dr. Margaret Banyan with Florida Gulf Coast University and the consultant team will provide an update on the Comprehensive Plan project. The focus of the meeting will be an active discussion on transportation, parks and recreation, and future land use to meet the needs of the community. Center for Disease Control (CDC) guidelines related to social distancing will be followed. Residents are asked to wear a mask or face covering. There are two sessions to ensure crowd management. Please RSVP for either Session #1 at 9:30am or Session #2 at 10:30am. Reservations should be sent to alexis.crespo@waldropengineering.com no later than December 10, 2020.

For residents who are unable to attend this meeting, there are two additional Town Hall meetings planned for early 2021 which will be virtual and will provide additional opportunities for public input.
