

RESOLUTION NO. 99-14

**A RESOLUTION TO ADOPT A STREET
RESURFACING PRIORITY LIST.**

WHEREAS, the City of Marco Island is responsible for more than 100 miles of streets; and

WHEREAS, these streets total more than 200 lane miles and are required to be resurfaced on an average of every ten to fifteen years; and

WHEREAS, City Council desires to resurface these streets on a priority needs basis; and

WHEREAS, the Public Works Department has evaluated every street in the City and categorized the condition of the street based on engineering criteria; and

WHEREAS, the resurfacing of streets based on priority need will help ensure that the allocation of funds for resurfacing will address those streets in the worst condition.

NOW, THEREFORE, BE IT RESOLVED, that the Marco Island City Council, in council duly assembled, hereby adopts the Street Resurfacing Priority List attached as Exhibit "A".

BE IT FURTHER RESOLVED, that with the exception of emergency and critical repairs, the Street Resurfacing Priority List shall be the basis upon which streets shall be resurfaced as funds are allocated.

Passed in open and regular session of the City Council of the City of Marco Island, Florida, this 5th day of April, 1999.
