**SECTION 2. Adoption.** The Owner/Developer's Site Development Plan for the Subject Property is hereby approved subject to the following conditions:

(a) At least every ninety (90) days, the Owner/Developer, its successors, and assigns, shall check the pervious paver/asphalt system to assess the amount of infiltration occurring to maintain a level of permeability substantially similar to that in existence at the time of initial installation of the paver system. The inspection will include visual inspection which will occur during a rain event.

(b) At least annually, or more often as needed to maintain substantially the same level of infiltration in existence at the time of initial installation of the pervious paver/asphalt system, the pervious pavement shall be cleaned using a vacuum truck, or other City approved methodology, to maintain a level of permeability substantially similar to that in existence at the time of initial installation of the paver system. At a minimum and notwithstanding the foregoing, the pervious pavers must be maintained pursuant to the manufactures specifications for the pavers to be counted toward the pervious surface. Also, storm water systems on site must be maintained per manufacturers recommendations.

(c) Results of all quarterly inspections shall be submitted in writing to the City Engineer annually.

(d) Signs on the canopy roof are not allowed, and signs on the canopy roof as shown in the document entitled Sign Program for Marco Island Town Center (Section 1.(b)(7)(E) of this Resolution, are not approved.

**SECTION 3. Failure to Obtain Other Permits.** That issuance of this approval by the City does not in any way create any right on the part of the Owner/Developer to obtain a permit from a state or federal agency and does not create any liability on the part of the City for issuance of the approval if the Owner/Developer fails to obtain the requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in the violation of state or federal law. All applicable state and federal permits must be obtained before commencement of the Development. This condition is included pursuant to Section 166.033, Florida Statutes, as amended.

**SECTION 4. Failure to Adhere to Resolution.** That failure to adhere to the approval terms and conditions contained in this Resolution shall be considered a violation of this Resolution and the City Code, and persons found violating this Resolution shall be subject to the penalties prescribed by the City Code, including but not limited to the revocation of any of the approval(s) granted in this Resolution and any other approvals conditioned on this approval. The Owner/Developer understands and acknowledges that it must comply with all other applicable requirements of the City Code before it may commence construction or operation, and that the foregoing approval in this Resolution may be revoked by the City at any time upon a determination that the Owner/Developer is in non-compliance with the City Code.

**SECTION 5. Effective Date.** That this Resolution shall take effect immediately upon adoption.

ADOPTED BY THE CITY COUNCIL OF THE CITY OF MARCO ISLAND, this 6<sup>th</sup> day of January 2020.
