Pilates with Marsha

Classes begin on Tuesday, October 2nd.
 No charge for Tuesday, October 2nd, only.

The goal of this class is to strengthen and tone while increasing flexibility. Instructor Marsha Pirie will teach the art of focus on proper body alignment while learning and performing Pilates exercises. Weight-bearing exercises such as Pilates exercises are often recommended as part of bone-building programs to prevent osteoporosis. A big part of Pilates is using correct breathing when performing exercises. We will actively use this procedure during class. Marsha's class modifications allow any level to attend. Students should be able to lower themselves to the floor on a yoga mat and come up on their own. Pilates is designed to strengthen our core and improve physical strength, flexibility and posture, and mental awareness with exercises on a yoga mat.

Instructor: Marsha Pirie

Dates: Tuesday and Thursday

Time: 7:45 a.m. - 8:30 a.m.

Location: Mackle Park

Cost: \$10 per class or
