Re: April 2021 Monthly City Council Report

INTRODUCTION

April marked the last month of the year before the beginning of Sea Turtle Nesting Season on Marco Island beaches. The Marco Island Police Department, Code Enforcement Unit, Educational Specialist Tristan Ashby, and Tonia Selmeski, the City's Environmental Planner, worked together to educate the community on protective measures to keep our beaches safe for Sea Turtle Nesting Season. The Police Department held an open house to educate beachfront property managers on Sea Turtle Protection. Officers attended Mackle Park's Spring Jubilee event getting to know the community. Chief Frazzano engaged with the community this month, spending time on the beach interacting with families and speaking with the Marco Island Kiwanis Club. Sgt. Kreis and Officer Belardo assisted a couple on the beach who lost their engagement ring, saving the proposal! The month ended with the implementation of the Automated License Plate Reader (ALPR).

Reserve / Auxiliary Program Activity Hours

Reserve and Auxiliary Police Officers are unpaid volunteers who are certified by the State of Florida to perform in the law enforcement role. These officers must meet the Department's and State of Florida's annual retraining / certification requirements. Reserve and Auxiliary personnel are required to volunteer a minimum of 16 hours per month. They perform a variety of functions for our Department and community which are outlined in the chart below. Particularly they assist full-time personnel at community events or special duty functions (requests for an officer to be assigned and compensated by the outside vendor) and during significant weather events such as hurricanes or flooding. Reserve and Auxiliary Officers provide an additional uniformed police presence in neighborhoods, commercial areas, schools, parks, and beaches. Once a month Reserve and Auxiliary Officers have a staff meeting to review policy changes, attend training and address planning and logistical requirements. The below chart signifies the logged hours that have been devoted to the particular assignments by the Reserve and Auxiliary Officers.
