Note: Community Service Officers often close cases opened in prior months once compliance has been obtained.

The Department received twenty-nine (29) noise-related complaints in August, with five occurring during regular CSO working hours. Twenty-three of these events occurred at single family dwellings, 1 each at a hotel and business, and finally 4 at condominiums. You will note that verified noise complaints, handled by MIPD Patrol Officers, are automatically followed-up with appropriate action by the Code Enforcement Unit.

There were two homes that had repeat (2 per address) complaints in August; however, in each of these cases responding Officers could not verify the complaint. Three courtesy letters were written to homeowners with 1<sup>st</sup> time verified noise violations. One noise case is being referred to the Code Enforcement Special Magistrate on the basis of past verified complaints.

Officers have begun ascertaining whether or not the subject who is being warned is a tenant or actually owns the property. Out of 29 noise complaints in the month of August, 15 were determined to be rentals.

## Training
