

City of Marco Island

Meeting Date: October
To: City Council
From: Chief Tracy Frazzano
Through: Michael A. McNees, City Manager
Re: 2020 August Monthly City Council Report

INTRODUCTION

The police department, working with our city partners and community entities, focused our efforts on hurricane preparedness and the procedures to accommodate re-opening special events under the guidance related to coronavirus (COVID-19). We still remain vigilant in our information gathering, response efforts, and planning processes related to the COVID-19. We increased our efforts on controlling quality of life issues and as such, were part of the city task force on short-term rentals and noise. It is through this working relationship that a plan will be presented to the City Council to ensure that our community stays as paradise.

Reserve / Auxiliary Program Activity Hours

Reserve and Auxiliary Police Officers are unpaid volunteers who are certified by the State of Florida to perform in the law enforcement role. These officers must meet the Department’s and State of Florida’s annual retraining / certification requirements. Reserve and Auxiliary personnel are required to volunteer a minimum of 16 hours per month. They perform a variety of functions for our Department and community which are outlined in the chart below. Particularly they assist full-time personnel at community events or special duty functions (requests for an officer to be assigned and compensated by the outside vendor) and during significant weather events such as hurricanes or flooding. Reserve and Auxiliary Officers provide an additional uniformed police presence in neighborhoods, commercial areas, schools, parks, and beaches. Once a month Reserve and Auxiliary Officers have a staff meeting to review policy changes, attend training and address planning and logistical requirements. The below chart signifies the logged hours that have been devoted to the particular assignment by the Reserve and Auxiliary Officers.
