Meeting Date: April

From: Chief Tracy Frazzano
Through: Michael A. McNees, City Manager
Re: February 2021 Monthly City Council Report

INTRODUCTION

February began with Detective Lorenzo Smith receiving the Officer of the Year Award. On the anniversary of his death, we remembered the service of the late Lieutenant Clayton B. Smith and his dedication to serving the Marco Island community. He will forever be in our thoughts and his family in our prayers. Community Service Officer Joseph Dodd had an impactful February on the beach. He removed large amounts of trash that had either been dumped or washed ashore, and also saved the life of an individual by utilizing his AED and CPR training. Officers Moreno, Lopez, and Reyes brought joy to beach goers by engaging with them, and Officer Nelson handed out ice cream vouchers to children for wearing bicycle helmets and practicing bicycle safety. The MIPD and CCSO worked together to locate and safely return a missing child who was last seen on Marco Island. Law enforcement members of the Department were honored at the Flags for Heroes event hosted by the Marco Island Rotary Club. The MIPD began utilizing Facebook to post current job openings within the department and now has a presence on the social network Pinterest to increase our community outreach. At the end of the month of February we said goodbye and congratulations to our very own Jonathan King. His diligence in his job has kept the members of the MIPD and those who visit the building in a clean and safe environment for the last 8 years. He left our family to venture down a new career path.

Officer of the Year Detective Lorenzo Smith (Center) with (Left to Right) Lt. Matt Gallup, Foundation President Vernon Geberth, Capt. Richard Stoltenborg, and Capt. Dave Baer.

Reserve / Auxiliary Program Activity Hours

Reserve and Auxiliary Police Officers are unpaid volunteers who are certified by the State of Florida to perform in the law enforcement role. These officers must meet the Department's and State of Florida's annual retraining / certification requirements. Reserve and Auxiliary personnel are required to volunteer a minimum of 16 hours per month. They perform a variety of functions for our Department and community which are outlined in the chart below. Particularly they assist full-time personnel at community events or special duty functions (requests for an officer to be assigned and compensated by the outside vendor) and during significant weather events such as hurricanes or flooding. Reserve and Auxiliary Officers provide an additional uniformed police presence in neighborhoods, commercial areas, schools, parks, and beaches. Once a month Reserve and Auxiliary Officers have a staff meeting to review policy changes, attend training and address planning and logistical requirements. The below chart signifies the logged hours that have been devoted to the particular assignment by the Reserve and Auxiliary Officers.
