Re: January 2021 Monthly City Council Report

INTRODUCTION

2021 Started out with the promotion of Detective Mark Huffor to Sergeant, where his wife, and MIPD Volunteer Carolyn, accompanied him at his promotional ceremony. The Marco Island Police Department worked in partnership with the City and the Fire Rescue Department to successfully distribute vaccines allocated for the City of Marco Island by Collier County Emergency Medical Services (EMS). Sergeant Mark Haueter worked with the MIPD's reserve and auxiliary officers to ensure the security and safety of all individuals at the vaccination sites. Public Education Specialist Tristan Ashby validated the registration of those receiving vaccines to ensure their eligibility to receive the first does of the COVID-19 Moderna vaccine. Working together, the MIPD alongside City Hall and the Fire Rescue Department vaccinated over 450 individuals. Police Officer Melanie Lopez became a part of the family here at the Marco Island Police Department working to help protect paradise.

Welcome to our newest team member, Police Officer Melanie Lopez.

Reserve / Auxiliary Program Activity Hours

Reserve and Auxiliary Police Officers are unpaid volunteers who are certified by the State of Florida to perform in the law enforcement role. These officers must meet the Department's and State of Florida's annual retraining / certification requirements. Reserve and Auxiliary personnel are required to volunteer a minimum of 16 hours per month. They perform a variety of functions for our Department and community which are outlined in the chart below. Particularly they assist full-time personnel at community events or special duty functions (requests for an officer to be assigned and compensated by the outside vendor) and during significant weather events such as hurricanes or flooding. Reserve and Auxiliary Officers provide an additional uniformed police presence in neighborhoods, commercial areas, schools, parks, and beaches. Once a month Reserve and Auxiliary Officers have a staff meeting to review policy changes, attend training and address planning and logistical requirements. The below chart signifies the logged hours that have been devoted to the particular assignment by the Reserve and Auxiliary Officers.
