To: City Council
From: Chief Tracy Frazzano
Through: Michael A. McNees, City Manager
Re: June 2021 Monthly City Council Report

June marked the beginning of the 2021 Atlantic Hurricane Season and as such, the City conducted a Hurricane Planning Town Hall meeting. We continued our community outreach by inviting the public to our new vessel commissioning, and events such as Coloring with a Cop and Coffee with a Cop. Our Coloring with a Cop campaign involved the kids playing games, getting fingerprinted, touring our police equipment and even a coloring contest. Coffee with a Cop returned and was hosted by Empire Bagel Factory, where the community got to know their local law enforcement. We partnered with the Marco Island Fire Rescue Department and held the Police and Fire Youth Academy. Led by officers Paul Ashby and George Guyer, students interacted with both fire and police personnel for a week long training in which they were able to learn some of the responsibilities of each profession. Working with Parks and Recreation department, Police Officer Paul Ashby celebrated the end of the school year by participating in a dunk tank and the Mackle Park Teen Extravaganza event.

Reserve / Auxiliary Program Activity Hours

Reserve and Auxiliary Police Officers are unpaid volunteers who are certified by the State of Florida to perform in the law enforcement role. These officers must meet the Department's and State of Florida's annual retraining / certification requirements. Reserve and Auxiliary personnel are required to volunteer a minimum of 16 hours per month. They perform a variety of functions for our Department and community which are outlined in the chart below. Particularly they assist full-time personnel at community events or special duty functions (requests for an officer to be assigned and compensated by the outside vendor) and during significant weather events such as hurricanes or flooding. Reserve and Auxiliary Officers provide an additional uniformed police presence in neighborhoods, commercial areas, schools, parks, and beaches. Once a month Reserve and Auxiliary Officers have a staff meeting to review policy changes, attend training and address planning and logistical requirements.
