

City of Marco Island

Meeting Date: JUNE 2019
To: City Council
From: Acting Chief Dave Baer
Through: Mike McNeas, City Manager
Re: 2019 Monthly City Council Report

Officers gather together prior to 2019 Memorial Day Service at Vereran's Park

Events

- Special detail officers were requested by JW Marriott for their Roadhouse concert series April 28 through May 1st. MIPD Officers provided a total of 310 hours of beach and event security over the three days while still meeting normal operational requirements.
- May 1st began Sea Turtle Season. Officers are patrolling our beaches to ensure the safety of this endangered species. Each May and continuing through early August, female loggerhead sea turtles crawl out of the Gulf of Mexico and nest on Marco Island's beach. The baby turtles, or hatchlings, will emerge after the nests are laid. Hatchlings generally are emerging from early July through the end of October each year. The season ends October 31st. During this time residents are subject to Beach Lighting Law Compliance, keeping beach free of barriers, and reporting injured or dead turtles to

the proper authorities. Sea turtle season details were posted on department social media and the City's website. A Community Service Officer has been assigned to conduct periodic night patrols to ensure compliance with lighting restrictions.

- May 5th began Hurricane Preparedness Week. It is time to evaluate what you need to do to protect your home and family NOW, before the first storm of the season forms.
- On May 16th members of the MIPD attended Police Officer Memorial Week service in Naples.
- May 20th began the statewide "Click it or Ticket" campaign which will be in effect through June 2nd. After the two-week enforcement period of our "Click it or Ticket" operation, a post survey was conducted which revealed 92% of motorists and front seat passengers were in compliance! MIPD conducted 311 traffic stops during the initiative.
 - ✓ 28 warnings for seatbelts
 - ✓ 6 citations issued for seatbelts
 - ✓ 33 citations issued for other violations
- Coffee with the Chiefs was held at Dunkin' Donuts May 21st. Chief's Schettino and Murphy were in attendance as well as many other officers and fire fighters. Staff had many opportunities to interact with the public.
- PD Honor Guard was present at Marco Island's Memorial Day Ceremony May 27th.
- May 31st marked the retirement of Chief Al Schettino after ten years of service to Marco Island, and four decades in law enforcement. At the same time, Captain Dave Baer was named as our Acting Chief.
- In an effort to preserve our water quality the Department seeks to remind others of the restrictions regarding fertilizer application. "Timing of Fertilizer Application." No applicator shall apply fertilizers containing nitrogen or phosphorous to turf and/or landscape plants during the rainy season (June 1 – September 30) and the prohibited application period to saturated soils." Public education regarding fertilizer was affected by posting a variable message board at the Jolly Bridge, utilizing Department social media and the City's website.

Honor Guard on Memorial Day at Veteran's Parade

Departmental Awards Ceremony
