Re:	October 2023 Monthly City Council Report

The Marco Island Police Department joined the city in celebrating Government week this October 16- 22nd. Government week is held annually as an effort to allow government entities to engage with citizens and to learn and grow as a community. The MIPD kicked off the week with a Beach Clean Up Day, cohosted by the Growth Management Department and the Beach and Coastal Advisory Committee. Members of the community joined city employees to collect unwanted trash and debris from South Beach. Later in the week, the MIPD were hosted by the Marco Island Starbucks for Coffee with a Cop. Coffee with a Cop gives community members the chance to connect with officers to ask questions, share mutual goals and build trusting relationships. Officers spent time giving locals their favorite morning coffee in the drive- thru, meeting residents and guests and answering questions and concerns from the community. Government week is one of many opportunities the MIPD takes to have a transparent and trusting relationship with the community.

The MIPD celebrated Government Week by hosting Beach Clean-up and Coffee with a Cop events.

Code Enforcement Protected Species

Burrowing Owls- This month we had 7 code calls involving burrowing owl violations. All incidents involved protection zone violations. 3 of the cases were handled with verbal warnings and immediate compliance. 3 cases lead to the issuance of NOV's. One case involved a burrowing owl burrow that was intentionally filled in by the lot owner. This was turned over to FWC for further investigation.

Other Birds- We had 1 deceased Royal Turn that was found on the North End of the Critical Wildlife Area. Three injured gulls were found on the beach and turned over to Audubon of Western for transport to the Conservancy.

Gopher Torties- We had a call that a lot located at 1752 Granada was being cleared that is occupied by Gopher Tortoises. Investigation revealed that there was no permit to clear this lot. The lot that was supposed to be cleared was at 1748 Granada. The builder incorrectly directed Affordable Landscaping to clear 1752, when they should have been clearing 1748. A stop work order was issued at 1752 Granada and a NOV for working on a lot with no building permit.

Manatees- Thankfully, no cases were reported regarding injured Manatees. Two citations were issued by the Police Department Marine Unit for speed violations in Manatee zones.

In October 2023, the Code Enforcement Department issued 21 Notices of Violations for MS4 Violations.

15 notices were issued for missing or damaged silt fences. Of the 15 Notice of Violations issued, 12 were compliant within the given deadline and 3 are scheduled for the next available Magistrate Hearing for lack of compliance.

5 notices were issued for Illicit Discharge violations. Of the 5 Notice of Violations issued, 2 were compliant within the given deadline and 3 are scheduled for the next available Magistrate Hearing for lack of compliance.

1 notice was issued for an Illegal Dumping violation and was compliant within the given deadline.
