

# City of Marco Island

Meeting Date: October 31, 2017  
To: City Council  
From: Chief Al Schettino  
Through: Guillermo Polanco, Interim City Manager  
Re: September 2017 Monthly City Council Report

## **SIGNIFICANT EVENTS / HURRICANE IRMA**

Hurricane Irma will long be remembered as one of the strongest Gulf Hurricanes ever recorded. MIPD has been fully engaged before, during, and after the storm, making community safety our priority. On September 10<sup>th</sup>, 2017 Hurricane Irma made landfall over Marco Island. September 6, 2017 Collier County declared a state of emergency and voluntary evacuation. By September 8, the evacuation became mandatory. All forces were deployed, preparing for the worst. Marco Island's Emergency Operation Center was set up with all departments of the City briefed and ready to do their job. A 24-hour emergency call center was established to answer residents' concerns, provide valuable information, and give guidance and support. Officers were out helping those who chose to remain, until the storm became too dangerous, even for first responders. Immediately after the storm passed, the evening of September 10<sup>th</sup>, our forces were once again aggressively patrolling the streets. Officers were prepared for water rescue as well. Our forces were joined by Florida Highway Patrol and Jupiter Police Force shortly after the storm to help in any way they could. Officers were deployed to search and rescue, protect property, direct traffic, locate downed power lines, and more. Our Community Service Officers performed wellness checks, and assistance for those who remained on the island. Cooling and charging stations were set up around the city, and FEMA had a presence at the police department as well as other locations around town. Our community is recovering nicely and MIPD is diligently continuing efforts post-storm, to keep our community safe and be prepared for the future

Officers were dispatched to a residence located on Delbrook Way in reference to a death investigation. Investigation continues.

## Marine Report

In September, our two Marine Officers worked assisted with road patrol coverage, assisting with staffing needs due to training events or members on leave.

Post Hurricane Wilma, in under one week, Marine Officers canvassed the island waterways and documented over 120 vessels that were sunk, partially sunk, aground or adrift. Marine Officers have been working with home owners and marine contractors to facilitate removal. Finally, Marine Officers assisted local mariners by surveying 100 navigation markers, and documented 65 that were off station or in need of repair or replacement. Those markers in need of repair or replacement have been reported to the responsible authority.

|                            |    |
|----------------------------|----|
| Extra Patrols              | 13 |
